President's Message

One more testament to the greatness of the Springfield Rotary club is that people step up when needed to help. I have seen this over and over again in this club. Since I have been gone President Elect Corkey and Past President Bill have gladly stepped in to run the meetings. And I am sure they have done an excellent job.

I continue to be thankful for the willingness of Springfield Rotarians to step up and step into serving the community, whether it is fellow Rotarians or service projects. This is definitely a doing club. Lunch every Wednesday is nice and it really is a pleasure to sit with everyone and eat and socialize but when there is a need presented, Springfield Rotarians are ready willing and able to take action.

I like that about us and hope we will continue to be a club of action. If there are areas that you would like to serve or if you have any questions about service or committee work, don't hesitate to talk to me or a Board member. I would like to see everyone connected and I will help make that happen.

News about our Club and Beyond

Membership Minute: A Japanese bonsai tree is a living miniature of the full grown tree, but it is kept dwarfed by not allowing its roots to spread. A bonsai tree is a thing of beauty, but always bound in size by its limited root system. A full-sized tree digs its roots into the earth and spreads its root system seeking nourishment, and its limbs and vegetation spread accordingly. Rotary is quite the same. The club that keeps its roots confined and bound offers little, except, perhaps a beautiful appearance. However, the club that spreads its roots into the whole community is the club that can spread its benefits as widely as its root system. It is important that our Rotary club spreads our roots throughout the community, by expanding our membership.
Cliff Dochterman, RI President 1992-1993

Rotary Foundation Thoughts: Mother Theresa said "Peace begins with a Smile" Rotarians around the world put that into action every day. One example of this is a Rotary Foundation Volunteer Service Grant that helped Dr. Marco Antonio Bulas, of the Rotary club of Tehuacan Manantrails, Mexico and Rotary volunteers from the Rotary club of Loveland, Colorado, USA carry out project Sonrisas Sin Fronteras (Smiles without Borders). The Rotary volunteers and a team of 23 university dental students provided dentures for 22 patients. "All of the team watched with great satisfaction as each patient was over come with joy and happiness" commented Ronnie Hagan, a member of the Loveland Club.

Every Rotarian, Every Year can bring a smile to the face of someone in need.
